ITALIAN NIGHT!! "Oh what a Night"

A great time was had by all! The food was terrific, the music was great, the atmosphere was fun and Rita Lauzier and Company did a wonderful job arranging/planning and carrying out a great night for our community ...**GRAZIE...!!!**

"THE" Fence Well... Jan 11th came and went. Another lawsuit was filed. We will keep you apprised of any developments

And...The Good Fence: At the northern edge of our campus we are installing a green screening material for privacy. The residents along both sides of the fence seem quite happy with its appearance.
